We believe in creating a community  
where everyone has the opportunity to  
**THRIVE.**

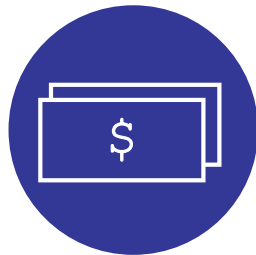

United Way is focused on creating community-based and community-led solutions that strengthen the building blocks for a good quality of life: health, education, financial stability, and meeting the basic needs of all Broome County residents.

United Way of Broome County's Healthy Lifestyles Coalition (HLC) helps to provide a community forum to support residents in obtaining access to healthy and affordable food, safe places to be active, and training and support to become advocates for policy and environmental changes. Each of these actions promotes positive health outcomes and works to reduce obesity in the neighborhood. --- To learn more visit [hlcbroome.org](http://hlcbroome.org)

United Way provides funding to health and human service programs that help people overcome life's challenges, and achieve their full potential. Through our network of community partners your investment creates real social change and impacts the lives of thousands of Broome County residents.

▶ **STEP 3: My Investment Options (OPTIONAL)**

**United Way of Broome County Community Impact Fund (Makes the Biggest Impact)**

A contribution to the Community Impact Fund supports programs and projects across Broome County in response to the most critical needs of our community. The Community Impact Fund is distributed by dedicated volunteer teams who work year round to carefully invest 100% of your donation in effective solutions.

*Health* - A stronger community is built by promoting healthy eating and physical activity, expanding access to quality healthcare, and fostering healthy environments and relationships.

*Education* - Every child, regardless of circumstance, deserves a high-quality education and the opportunity to learn and achieve their full potential.

*Financial Stability* - Creating pathways to financial stability through attaining better employment, increasing income and financial literacy, and building savings and assets will allow all Broome County residents to prosper economically.

*Basic Needs* - Individuals and families in our community should have access to life's essentials: food, shelter, and safety as a foundation for a quality life.

**United Way of Broome County's Collective Impact Initiative - Healthy Lifestyles Coalition (HLC)**
