Good Morning CAI Members,

Please see attached the "Distance Learning Course Review Policy 10/24/21 (DLSC endorsed)".

The goal of this meeting will be to work productively with the DLSC members in addressing questions and concerns your constituents have.

Prior to the meeting, collect information regarding specific areas of the policy you are receiving concerns/questions about from your constituents. Please send me your feedback and I will place it in a google doc that will be shared and reviewed at the meeting. Reference the area in the policy as this will help identify the text efficiently and address the feedback effectively.

We need to know the areas that are most concerning and DLSC members will be there to help address and contribute context. Since CAI meetings are open to the campus, please encourage your constituents to join, but as guests only. They should be funneling their feedback to you, for you to present.

Please be respectful of time if speaking. The standing rule is a maximum of 2 minutes which will be enforced and modified if needed to hear from all or to address a concern/question that needs further explanation (CAI Bylaws pg. 21 Article VIII #4 and #5). DLSC members will also be contributing to the conversation. In order to meet the goal of this meeting, the topic will not tolerate unproductive comments/conversation.

Thank you,
Andrea
