Drawing is a learned activity; you can learn to draw in this class!

Join Professor Evans for a step-by-step method that will teach you the fundamental lessons for your success in drawing three-dimensional objects. Learn the language of art including positive and negative space, line, and the power of contrast – you can do this!

Register advising@sunybroome.edu or Advisor Melyssa Wrisley at 778 -5426. Take as a 3 Credit GEN ED Course to fulfill an ART Requirement or ART ELECTIVE for your Major.
