

Unconventional? Not afraid of risks? Want more than the average?

SUNY Broome has 29 Perkins-Eligible Career and Technical Education (CTE) programs of study that are considered nontraditional by gender.

WHAT IS A NONTRADITIONAL CAREER?

Jobs that are filled predominantly by one gender, either mostly males or mostly females.

WHY CONSIDER A NONTRADITIONAL CAREER:

People who choose careers based on their interests, skills and abilities rather than on gender stereotypes experience greater rewards and job satisfaction.

TOP 10 REASONS TO CHOOSE NONTRADITIONAL CAREERS

- ◇ Use abilities and interests to explore job choices.
- ◇ Earn higher wages.
- ◇ Expand the variety of available careers.
- ◇ Offer opportunities for advancement.
- ◇ Offer specialized education and technical skills.
- ◇ Learn based on personal interests.
- ◇ Offer new ways of thinking and interacting.
- ◇ Offer increased job satisfaction and enjoyment.
- ◇ Provide society a chance to think differently.
- ◇ Pave the way for the next generation.

BREAKING DOWN BARRIERS

- ◇ Do you possess skills in an area where you stand out that may be considered uncommon for your gender?
- ◇ Do you believe that you have important contributions to share in a particular field regardless of your gender?
- ◇ Do you like the possibility of standing out for doing a great job AND being distinctive among your co-workers?
- ◇ Do you want to be part of today's changing workforce?

WHAT IS CAREER & TECHNICAL EDUCATION (CTE)?

CTE prepares students to succeed in the workforce by teaching a combination of technology-based and career-oriented skills in a wide range of high-wage, high-skill, high demand careers.

How is CTE Funded?

The Perkins V - Strengthening Career and Technical Education for the 21st Century Act is a federal education program that provides funding for CTE programs in every state.

Perkins CTE funds are used to support and continuously improve CTE programs of study like those at SUNY Broome. They are also used to provide career exploration and guidance to students enrolled in CTE programs of study, and to help ensure students enrolled in CTE programs graduate and attain their CTE degree or credentials.
