

PATHWAYS CELEBRATION!!

May 1st & May 15th
3:00PM – 4:30PM

Decker Health Science Center
Room: 201

Come celebrate the work
of our Pathways Team!

➔ Faculty will share:

- why they decided to redesign programs following Pathways principles
- how they went about the redesign process
- the challenges they encountered
- the before and after of their programs

➔ Our Onboarding and Financial Wellness work groups will share recommendations to improve our processes.

➔ Members of the campus community will have time to ask questions to find out more about the team's work.

➔ SNACKS will be served!

To learn more about Pathways and find out who is part of our Pathways Team, please visit the [Pathways website](#)

Clarify the Path

Create clear curricular pathways to transfer colleges and careers for every academic program.

Get on the Path

Help students find the best pathway for them by assessing individual needs and goals.

Stay on the Path

Help students stay on their path with supports like ongoing advising and tools to track their progress.

Ensure Learning

Ensure that learning is happening on the student's pathway with intentional outcomes.
