

## In honor and recognition of Women's History Month, the SUNY Retirement Plan Investment Providers offer a series of virtual seminars and resources.

As Women's History Month begins, we are thrilled to invite you to a unique celebration that connects the remarkable achievements of women throughout history with a clear pathway to financial freedom and empowerment. This month, join us in a journey of learning and growth that honors past accomplishments and embraces future financial success.

### Learn, Grow, and Save with Experts

In collaboration with our retirement plan providers – Corebridge, Fidelity, TIAA, and Voya – we are proud to present a series of webinars and resources tailored to meet financial needs at every stage of life. These interactive sessions are more than just learning opportunities; they are bridges to financial well-being.

### Let's Celebrate and Grow Together!

This Women's History Month, let's gather to celebrate the extraordinary contributions of women, both past and present, while paving the way for a financially secure future. Your journey to financial empowerment starts now!
