THE ALMS AT CHRISTMAS painted by Robert Keller

**Consider sporting Black and White to honor Bob.**

You are cordially invited to attend a celebration of our patriarch, Emeritus Professor Robert Keller, who passed away on January 1, 2024, at 98 years old. He was a gifted artist and designer who was instrumental in establishing the Art & Design Department many decades ago.

Bob's extraordinary oil paintings, illustrations, ink drawings of holiday cards, numerous newspaper articles of adventures with house renovation and his best friend 'Roddy' Serling, friend Leonard Bernstein while working in NYC at Saks Fifth Avenue, and his autobiographical book entitled *House Proud* will be on display.

You are welcome to join us for this special remembrance of Bob with many community friends in tow.

We look forward to seeing you there!
