we're for you."

Bellevue University is accredited by the Higher Learning Commission (hlcommission.org). Bellevue University is committed to providing an environment that is free from harassment and discrimination based upon race, color, religion, sex, national origin, age, disability, genetic information, military obligations, or status in any other group protected by local, state, or federal law. Consult with an admissions counselor to determine your eligible credits, as well as to verify minimum graduation requirements for this degree. Transfer credits must be from a regionally accredited college or university. Bellevue University makes no promises to prospective students regarding the acceptance of credit awarded by examination, credit for prior learning, or credit for transfer until an evaluation has been conducted.
