Mental Health

Students often experience social, personal, and family concerns while attending college. It is important to address these issues and reach out for assistance when needed.

- **On-Campus Counseling Services**

- When such concerns or other barriers to academic success arise, students may turn to one of our professionally trained counselors for help in regaining perspective and purpose. Through individual, confidential meetings, a Counselor can help you explore, understand, and deal with your unique personal issues and help you balance your personal, career, and educational goals.

To make an appointment:

- Call +1 (607) 778-5210
- Fill out a counseling request form at <http://www2.sunybroome.edu/counseling/appointment/>
- Weekly wellness series zooms - open to everyone <https://news.sunybroome.edu/buzz/counseling-services-wellness-series/>

Academic Support

Concern as a Student? - Student Assembly is here for you!!

SUNY Broome's Student Assembly is the Shared Governance body that discusses issues pertaining to students on campus. Members of the group discuss issues concerning campus life, review student-related campus policies, and sit alongside faculty and staff on college committees charged with making recommendations to College administration.

- Your current Student Assembly President is Ben Kircher and can be reached at kircherba@acad.sunybroome.edu.

Tutoring Services

You are not alone! In response to courses being delivered online, online tutoring is also available to help you succeed! Tutors guide students in becoming active learners and provide strategies and skills important for course success. All students are welcome to take advantage of this FREE support.

- If you have questions about tutoring, please contact Loreta at panicialm@sunybroome.edu.

Academic Coaches

Academic Coaches support retention and success of all students at SUNY Broome.
