Congratulations to this year's Spirit Award winner, Assistant Director of Admissions Michael Carra!

During his 30-plus years at SUNY Broome, Carra has consistently done an outstanding job of promoting the College both within and beyond our community. He is mindful of prospective student's needs and interests, and works tirelessly and patiently to guide students towards the most fulfilling educational paths.

Carra has literally "gone the extra mile," often schlepping handcarts full of college publications from the wilds of Windsor to the valleys of Vestal without complaint, and has driven to the airport at all hours of the night to pick up exhausted international students who are setting foot on American soil for the first time.

His kind and gentle demeanor and positive and collaborative approach to all aspects of his work has been a hallmark of his career. With good humor and an indomitable spirit—even in the face of personal challenges—Carra embodies the true meaning of this award.
