

# Master Planning – Charrette Findings

May 11, 2015

On behalf of the Master Planning Steering Committee and our Master Planning Consultants, Passero Associates and Saratoga Associates, I have attached the Charrette findings for your review. Thank you to all who participated in this critical step of the master planning process. I think you will find the results of the Charrette very interesting.

**Kelli Ligeikis, Ed.D., P.E.**

Associate VP and Dean

Outreach and S.T.E.M.
