

# Medical Assisting student wins scholarship for blood drive efforts

September 23, 2015

The American Red Cross has awarded a \$250 scholarship to Medical Assisting senior Colleen Breed for her recruiting efforts during last year's Medical Assisting and Clinical Lab Technology-sponsored blood drives.

A huge thank you to all the MA/CLT Students who helped recruit blood donors and to the students, faculty and staff who donate. Each donation can help save up to three lives!

The next blood drive is coming up on October 21 and 22, from 10 a.m. to 3 p.m. both days. Sign-up tables will be available in the Student Center and Titchener Hall on October 14, 15 and 16 between 10 a.m. and 2 p.m. You can also sign up at [www.redcrossblood.org](http://www.redcrossblood.org).
