

# Off-campus community can register for library card starting Aug. 1

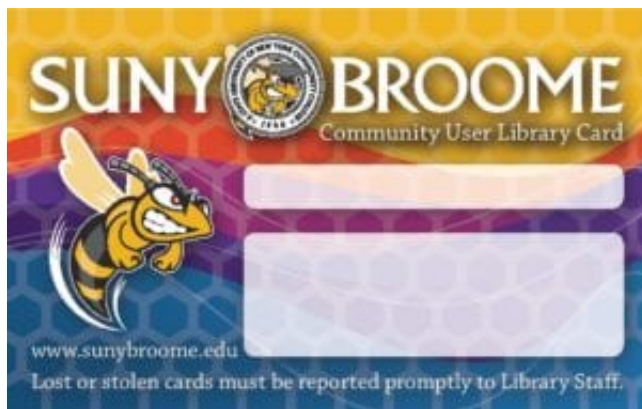

June 24, 2015

Did you know that Broome County residents and other community members are eligible to receive a Community User library card? Guest registration will be available beginning August 1.

Community users can access library collections, computers, databases, the Gallery @ SUNY Broome and more. To be issued a Community Users Borrowers Card, guest users must present a valid photo ID. Community members are required to complete guest registration in order to use Library services.

Click below for registration guidelines and the application.
