

SUNY Broome again wins division in Corporate Challenge **updated**

June 15, 2015

For the second year, SUNY Broome won the Medium division in the YMCA Corporate Challenge, which was held June 11 on campus.

The Hornets rolled through the competition, coming out on top of 15 teams by 37 points, the largest margin between any of the 15 placing teams — all without scoring a single point in the predicted mile, noted team captain Tom Carter.

The evening's highlight was the relay race, where Ryan Heinlein, Paula Fitch and Matthias Gaige best **all teams in all divisions** by a solid 27 seconds.

For the men, SUNY Broome's MVP was Ryan Heinlein, who won the medium division of the 5K and was fifth overall, as well as running sub-18:00 with his time of 17:59.

For the women, the MVP went to 65-year-old Paula Fitch, who ran a spectacular 6:30 mile — maybe even faster! — in the relay, helping us to win the relay overall. And she scored big points in the women's 5K as well.

The captain's rookie award goes to Rob Krowiak, in a big way. A great basketball player and team sports guy who barely runs, he ran 20:11 in the 5K for third place in the medium division and ran a superb 5:40 mile in the relay, helping his team place third overall in the medium division.

Also, a big thanks out to Ryan Snyder for providing the pizza and soda for the team.
