

SUNY Broome wins Gold Seal from American Heart Association

May 20, 2015

It is with great honor that I write to say congratulations to SUNY Broome on your renewed award of the Gold Seal for Fit Friendly Worksite Recognition! This means you and your company are doing everything right when it comes to your employees heart health.

The American Heart Association is pleased to announce the final list of Fit-Friendly Worksites for the April 2015 cycle. The list of awardees totals **2,746 worksites nationally**, representing almost **7.5 million employees!** **294 worksites** in our Founders Affiliate (NY, NJ, VT, RI, NH, ME, MA & CT) were awarded, **236 received Gold** recognition and **58 achieved Platinum** recognition. In addition **2 received the Worksite Innovation** Award and **2 received the Community Innovation** Award.

Here in the Southern Tier:

4 companies were awarded Gold Recognition and **1 was awarded Platinum Recognition!**

Making our total number of **Fit Friendly companies 28** with over **18,500 employees.**

Once again, **congratulations** on all you have done, and continue to do, to improve the quality of life here in the Southern Tier!

Gina Chapman

Director, Southern Tier, American Heart Association
