

The Faculty Staff Assembly is Thursday, August 27

August 19, 2015

President Kevin E. Drumm writes:

Welcome back to our faculty who have been away for the summer! I hope you had a great summer and that you are renewed and ready for another incredibly exciting year of change and opportunity. Just look around at the continued physical plant changes and our new parking lot one!

I would like to invite all faculty and staff to please join us at the Fall Faculty-Staff Assembly scheduled for Thursday, August 27, which will be held in the Student Dining Hall, also updated over the summer. Breakfast is available at 8:00 a.m. in the Dining Hall with presentations beginning at 8:45 a.m.

During the 2015-2016 academic year, the college will continue to evolve and strategically position itself with new student and community initiatives, further updated facilities, new academic programs, and always most importantly a deeper exploration of the teaching/learning process. As we enter the midpoint self-study phase of our accreditation to prepare for our PRR this spring, it's hard to believe we're at the five-year mid-point in our accreditation process.

We look forward to seeing you and engaging with you around these and other important topics that will define our academic year.
