

We did it! SUNY Broome surpasses its Heart Walk goal

April 23, 2015

SUNY Broome has surpassed its \$3,500 goal for the Heart Walk, which took place on campus April 12.

Many thanks to the 87 members on the SUNY Broome team and the donors that raised **\$3,612** for the American Heart Association. Overall, the April 12 event raised approximately \$220,000 to fight heart disease and stroke.

Come walk with us next year to help the American Heart Association!
